listing Description

The **2023 Maserati Levante Modena** is a luxury SUV that masterfully blends Italian elegance, powerful performance, and cutting-edge technology. Designed for those who demand sophistication, style, and thrilling driving dynamics, the Levante Modena is perfect for family adventures, business travel, or any occasion that calls for prestige and capability. **Key**

Features and Specifications: Engine & Performance:

- Powered by a **3.0L twin-turbo V6 engine**, the Levante Modena delivers an exhilarating **424 horsepower** and **428 lb-ft of torque**.
- This power propels the Levante from **0 to 60 mph in just 5.0 seconds**, offering sports-car-level performance in an SUV body.
- Equipped with **Q4 Intelligent All-Wheel Drive**, the Levante maintains superior grip and stability, adapting seamlessly to varying road conditions.

Transmission:

- A **8-speed ZF automatic transmission** ensures smooth, quick shifts and optimal power delivery for every driving situation.

Fuel Economy:

- Estimated at **16 mpg city / 22 mpg highway**, the Levante offers a balance of efficiency and performance for a luxury SUV of its caliber.
-

Interior: Seating:

- A meticulously crafted cabin featuring **premium Italian leather upholstery** and seating for up to **5 passengers**.
- Heated and ventilated front seats with **12-way power adjustments**, providing supreme comfort for long drives.

Infotainment System:

- An intuitive **8.4-inch Maserati Touch Control Plus (MTC+) display** with Apple CarPlay, Android Auto, and integrated navigation.
- A powerful **14-speaker Harman Kardon Premium Audio System**, delivering a concert-like experience.

Climate Control:

- **Four-zone automatic climate control**, ensuring each passenger can tailor their environment to their preference.

Cargo Space:

- Versatile cargo capacity with up to **57 cubic feet of space** when the rear seats are folded flat, perfect for luggage, golf clubs, or adventure gear.
-

Safety & Driver Assistance: Advanced Driver Assistance Systems:

- Equipped with **Adaptive Cruise Control**, Lane Keeping Assist, Blind Spot Detection, Rear Cross-Traffic Alert, and a 360-degree Surround View Camera for enhanced awareness and safety.
- Forward Collision Warning with Automatic Emergency Braking for additional peace of mind.

Airbags & Protection:

- Comprehensive safety with multiple airbags, reinforced body structure, and advanced stability systems to ensure occupant protection in all driving conditions.
-

Additional Features: Suspension:

- **Skyhook Adaptive Air Suspension** adjusts the ride height and stiffness for supreme comfort and handling, whether cruising city streets or taking on rugged terrain.

Wheels & Design:

- Stylish **21-inch alloy wheels** paired with the Levante's distinctive design and iconic **Maserati grille** exude pure Italian flair.

Lighting:

- Adaptive **Full LED Matrix headlights** with signature Maserati taillights ensure exceptional visibility and a bold, unmistakable presence on the road.
-

Driving Experience: Comfort & Refinement:

- The Levante Modena delivers a serene cabin experience with **sound-insulating materials**, reducing outside noise and vibrations for unparalleled comfort.

Handling:

- With its **sport-tuned suspension** and Maserati's Q4 all-wheel drive system, the Levante handles like a sports sedan while maintaining SUV versatility.
 - The **near-perfect 50:50 weight distribution** ensures precise, confident handling through every corner.
-

The **2023 Maserati Levante Modena** is the epitome of luxury and performance, seamlessly combining Italian craftsmanship with modern technology. Whether navigating city streets or exploring open highways, the Levante delivers an unforgettable driving experience, perfect for those who crave style, comfort, and power in one exceptional SUV.
