listing Description

2025 Cadillac Escalade ESV Rental: Luxury, Space, and Unmatched Performance The 2025 Cadillac Escalade ESV sets a new standard for luxury SUVs, offering unparalleled space, cutting-edge technology, and robust performance. Perfect for business professionals, families, or anyone seeking a premium driving experience, the Escalade ESV delivers a smooth, sophisticated ride with a commanding presence on the road.

Key Features and Specifications

Exterior Design

The Escalade ESV's bold and elegant design makes a lasting impression. Its iconic grille, vertical LED lighting, and aerodynamic lines highlight its powerful yet refined presence, while its extended body ensures ample space for passengers and cargo.

Engine & Performance

- **Engine:** Powered by a 6.2L V8 engine, delivering 420 horsepower and 460 lb-ft of torque for smooth and confident performance.
- **Acceleration:** A seamless 0-60 mph experience, blending power and refinement.
- **Transmission:** 10-speed automatic transmission for precise and efficient gear changes.
- **Drivetrain:** Available with rear-wheel drive (RWD) or four-wheel drive (4WD), ensuring versatility for any terrain or condition.

Fuel Economy

Estimated at **14 mpg city / 19 mpg highway**, impressive for a large luxury SUV.

Interior Excellence

Seating & Comfort

- Premium leather seating for up to 8 passengers, with heated and ventilated first- and second-row seats.
- **Front Seats:** 16-way power-adjustable seats with massage functionality for unmatched comfort.
- **Rear Seats:** Spacious second- and third-row seating with ample legroom and power-folding capability for added flexibility.

Infotainment System

- **Display:** A stunning 38-inch curved OLED display integrating the infotainment, navigation, and driver information systems.
- **Features:** Apple CarPlay, Android Auto, Amazon Alexa, and a premium AKG Studio 36-speaker surround sound system for an immersive experience.
- **Voice Assistance:** Cadillac's intuitive voice recognition system for hands-free control.

Climate Control

Four-zone automatic climate control ensures personalized comfort for every passenger.

Cargo Space

The extended body of the Escalade ESV provides exceptional cargo space, perfect for family trips or transporting large items.

Advanced Safety & Driver Assistance

Driver Assistance Features

- **Super Cruise:** Hands-free driving assistance on compatible highways.
- Adaptive Cruise Control with Stop-and-Go.
- Lane Keep Assist with Lane Departure Warning.
- Forward Collision Alert with automatic emergency braking.
- Blind Spot Monitoring and Rear Cross-Traffic Alert.

Additional Safety Features

- Reinforced body structure for enhanced protection.
 - Comprehensive airbag system and advanced braking technologies for peace of mind.
-

Additional Highlights

Suspension & Handling

- Magnetic Ride Control and Air Ride Adaptive Suspension for a smooth and composed ride.
- Fine-tuned for superior handling and stability in any driving mode.

Wheels & Lighting

- 22-inch multi-spoke alloy wheels for a bold and sophisticated appearance.
 - Full LED lighting, including ambient interior lighting and advanced headlights for optimal visibility.
-

Driving Experience

Comfort

A serene cabin featuring acoustic glass and noise-canceling technology for a quiet and peaceful ride.

Performance

A perfect balance of power and refinement, ensuring an exceptional driving experience on highways or city streets.
