## Why Choose the Infiniti Q50 Hybrid for Rideshare and Delivery?

### 1. Exceptional Fuel Efficiency

The Infiniti Q50 Hybrid boasts impressive fuel economy, with EPA ratings of **29 mpg in the city** and **36 mpg on the highway**. This efficiency translates to fewer stops at the pump and more earnings in your pocket.

### 2. Eco Mode for Optimal Performance

Engaging the **Eco Mode** adjusts throttle response and transmission settings to prioritize fuel savings. This mode is particularly beneficial during stop-and-go traffic common in LA, helping drivers maintain smooth acceleration and reduce fuel consumption.

### 3. Spacious and Comfortable Interior

Designed with both driver and passenger comfort in mind, the Q50 Hybrid offers ample legroom and a quiet cabin. The spacious trunk and foldable rear seats provide flexibility for transporting packages, making it ideal for delivery drivers.

### 4. Advanced Safety Features

Safety is paramount for gig drivers. The Q50 Hybrid includes features like **Predictive Forward Collision Warning**, **Blind Spot Intervention**, and a **360° Around View Monitor**, ensuring confidence on every route.
